“ Jerry was one of the kindest souls I have ever known. We met every few months to share our thoughts on our families and the stock market. Jerry was one of the first to provide comfort when we lost a son in 1988. He was proud of his daughters and a first class husband. His take on his investments always brought a laugh. I loved Jerry and his loss is large to me. Paul Palmer

Jerry was a close friend to me and all of my family. He was such a polite and caring person, very unpretentious and generous. Jerry had a neat ,dry sense of humor which always cracked me up. He once took the labels off his designer jeans, lest anyone would misjudge him ! His loyalty to God, Jesus and his Church, as well as missionary works and benevolent needs were all very quiet but consistent if you knew him well and observed!!! He will be missed by his family and friends so very much. May God raise up others like him is my sincere prayer!!! Howard Poteet 9-25-2019
