“ I remember when Jessica Marissa and I decided we we're going to take a late night ride and went running through some farms and all of a sudden a bull was chasing us Jessica yells POLICE!! Marissa flew into the window! I don't even think she touched the sides hahaha there wasn't actually any police coming but it was perfect because when Marissa jumped in she set off one of Christians toys which happened to be a fire truck. It was great!

“ ou don't ever expect to outlive your children or grandchildren. But, that is exactly what happened. The Constable and Santiago family are devastated at the loss of Jess. This past week has been heart-wrenching to say the least. Everyone that knew Jess loved her. As everyone knows...she had A LOT of friends.

*If you don't know POP this is your chance to meet him and try to lighten the burden by sharing some of your more funnier memories of Jess, Please join the family Saturday, June 23rd from 5pm to 7pm for a "CELEBRATION OF LIFE"at DeGusipe Funeral Home & Crematory.*

*Again, because this was so unexpected we ask that you make a donation in memory of Jess; and, in lieu of flowers.*

*I was afraid to look at this sight, because if I saw your name, then it was for real. Jess, Pop is missing you!! Everyone in Florida will do all they can to make sure Gio knows how much you loved him. PLEASE watch over Pop, Michael and Gio..and give my mom and brother a huge kiss. We didn't need another angel in heaven now. Aunt Cissy*

*Jess, I was afraid to look because if I saw your name, it made it more real. I don't know how Pop is going to manage without you. You kept him going and on his toes. Please give my mom and brother a huge hug. I am sure my mom started to say something like, "Jess, What the hell are you doing here??... and then after a few more words she'd say, get over here and give me a hug." Until we meet again.. Aunt Cissy*
