“ *Bev Pendell - Aunt posted a condolence Words can not express the loss that we are feeling today. Memories of your warm and loving personality, the gentleness you had towards others and your smile are just a few things that made you such a loving person. I am so happy that you were able to experience what "true love" means. You and Steven were blessed to have a relationship that so many have not experienced. I find comfort knowing that you are safely in the loving arms of the angels. Loving memories Aunt Bev*
