“ I loved Jessie so much and always have. She is my aunt and has meant so much to me. She was a person who would keep you laughing. She had so much love for her immediate family but also for her extended family. She was always so concerned about each one's problems. I will miss her so much as we talked on the phone often with long conversations. Everyone loved her so much. My thoughts and prayers are with you John, Jan, Jess and Wes. I love you all and I know you all will really miss her but her sickness is over now. She was never one to complain about her pains and was always encouraging others. She was a precious lady. Her niece, Margaret
