Jessie Ruth Neudigate

October 31, 1931 - February 15, 2017

Jessie Ruth Neudigate, 85, passed away peacefully in Hospice care in Altamonte Springs, Florida on February 15, 2017. Ruth lived a full and joyful life. She often shared fond memories of growing up in Sheffield, Alabama. As a young woman she moved to Miami, Florida where she met her husband, Bobbie Lee Neudigate. They had 6 beautiful children: Douglas, Deborah, Richard, Tammie, Michael, and Rebecca.

She was preceded in death by her husband Bob Neudigate, and her son, Douglas Neudigate. She is survived by her daughter Deborah Kilmon, her son Richard Neudigate and daughter-in-law Fran, her daughter Tammie Channin and (future) son-in-law Michael Schiro, son Michael Neudigate and daughter-in-law Cynthia, daughter Rebecca Freet and son-in-law Jim, and daughter-in-law Joyce Neudigate; as well as 16 grandchildren and 31 great-grandchildren.

Spending time with her family, traveling to the mountains, Thanksgiving trips to Fort Pierce, Myrtle Beach getaways, cooking for friends and family (especially her chicken and dumplings), dining out, and her chihuahua (Gizmo) were just a few of her favorite things during her time on earth. After raising her family, she continued her love for children and nannied for several

families until retirement. Jessie had a strong Christian faith and always found it important to share that faith with her children and grandchildren. Her favorite scripture was Psalm 73:26: My flesh and my heart faileth, but God is the strength of my heart, and my portion forever. She often quoted the Serenity Prayer: God, grant me the serenity to accept the things I cannot change, courage to change the things I can, and wisdom to know the difference.

“ Oh mama you will be missed, I thought of you as a mom to me and you were so gracious to treat me as one of your own. I will miss our lunches at Checkers and Krystal's after your doctor appointments. And oh how we laughed when I would tell the doctors and nurses "you were my tough old bird" and you would agree then we would all laugh. I love you mama but I know I am going to see you again one day. Hey while you are in heaven, say hello to Lorry and Jerry for me and give them a hug. I miss our talks on the back porch and you telling me your stories. I know God has a special place in His heart for you!

“ *She was an amazing woman. She had taught me so much in life and accepted me into the family with open arms. She was my mother when I had no other. She always gave the best advice. One of our favorite things to do together was going to thrift stores and just slowly wondering through and she could sure shop especially for Christmas and she would hide gifts and forget where she hide them and call me to come search the house to find them all. There are so much more I could say but most of all she loved everyone. I love and miss her very much Rest in peace Mom.*
