*My condolences to his family. May he rest in peace. I was the 1st passerby along with my boyfriend that stopped after the accident occurred. I started cpr as my boyfriend called 911. :( I'm a nurse in a local ER here and the rescue units responded so quickly. God bless him and everyone involved. This will be something I'll never forget. I've been trying to track down his information because when I left the scene we still didnt have his identity confirmed. May he R.I.P*

*Jhonny Boy is more than just my best friend ... he's family. He always talked so highly of his love for his family and was so full of positive energy towards anything that came his way. He always made me smile when I was going through tough times in my life. His words inspired me and his friendship I valued so much. I miss you so much Jhonny Boy. I'll always be your best friend. Sincerely, Mayra*
