“ Dear Jill,  
we were your customers at the Produce Market in Lake Mary. We learned so much from you - you were instrumental in our new way of life.

We appreciate the trust you had in us when you will let us pay to you the following week. We are sorry we did not get to know you even longer but wanted for you and your relatives to know what a difference you made in our lives.

Have a blessed journey!##imported-begin##mak and jay##imported-end##

“ No matter how old we are,  
Losing a daughter, a sister, a wife, a mother is one of the deepest sorrows a heart can know,  
But her goodness, her caring and her wisdom live on,  
Like a legacy of love that will always be with you.

All my sympathy is with you.##imported-begin##Wayne Norton##imported-end##
