“ *Tricia Kern - Friend posted a condolence I wanted to express my deepest sympathy to the Litteral family. All of you have remained in my heart all of these years and I have thought of you often. Mr. Litteral was always very sweet and kind and he will be missed. I too lost my dad at his young age of 55 on 10/17/2008. I miss him greatly but remembering the great things about him get me through the day. I know all of you will have wonderful things to remember of Mr. Litteral and it will get you through this time. May God bless all of you. Love, Tricia Keyes and children.*

“ *Rosalie Mitchell Schollenberger - Friend posted a condolence I can almost hear the Lord welcoming you home, Lucky. His words, "Well done, my good and faithful servant" must have greeted you. For us here on earth it sums up your life. You have always been good and faithful not only to your family but to everyone that came in contact with you. I'll never forget your willingness to deliver a piano to our home, on the spur of the moment, on your day off, and forever that act of kindness and that piano became an anchor in our home of God's unwaivering kindness & goodness and answer to prayer. Thank you Lucky. Blessings to your family.*
