“ Our son, Chip, married Patricia Crawford, the daughter of Jo and Dick Crawford. We are grateful we got to know Joe and spend time with her. She was a special lady...so simple with her needs. Always willing to love. She would get excited over the littlest of things. She loved her family more than any thing.. Thank You, Crawford family for sharing our Mom with the Nicholas'. We loved her dearly and will keep her memories in our hearts until we meet in Glory.

“ I will always remember coming over everyday in my 9th grade year and waiting for daddy to pick me up after work. The biscuits she made would fill you up for sure, and she always made sure I ate to before daddy came. The boys and girls ( me included ) would argue over what cartoons we were going to watch, Mighty Mouse, The Flintstones, or whatever else was on and Aunt Joe would walk over to that tv and shut it off because we were arguing. Some of my best times with her and Uncle Dick was on Old Winter Garden house. She will be missed dearly. Always fond memories in my heart
