“Joan will be missed by the entire St. Mary Magdalen Community, but most especially by the Parish Office Staff. She was one of our most loyal, most precise and most thorough volunteers! If Joan was working on a project for us, we could rest easy knowing it would be completed better than perfect! We were blessed to know her and her family is in our prayers.

To all who knew Joanie Ehas, I would like to tell you that she has been my dearest friend for 20 yrs. I have loved her and have missed her terribly ever since she moved from behind my house to Florida. She was not a "volunteer" during the years that I knew her, but she was the best friend anyone could ever have. We spent days and nights together many times whenever the need arose; we enjoyed each other's company and knew that God had blessed us with a very special gift. She was Auntie Joan to each of my kids and grandkids; they all loved her immensely. And she was always Joanie to me. We shared recipes and experimental dishes and loved every opportunity to do new things together. Our most fun days were those when one of us would call the other and ask if Home Depot sounded good. We thoroughly loved roaming up and down all the aisles and giggling over our total lack of knowledge about almost everything on the many shelves around us. What a great adventure it was for both of us! She was the "wind beneath my wings" as the song relays; now that she is gone, I feel that a part of me left w/her. Even though we hadn't seen each other for several years, we always knew we were just a phone call away (our phone conversations knew no boundaries.....lasting often for two to three hours,) I've asked my ministers to keep her and her family in their prayers; I could use the prayers also.
