There is nothing stronger than a mother's love. You showed all of your children that every day. You were always there when I was troubled and needed guidance. I will miss you every minute of every day. I love you mom.

I will always remember your mom putting up with not only her kids but all of the neighborhood kids! We had lots of fun camping out in the summer. She was a kind and sweet woman! God is taking care of her now! ❤️🙏 Tina Tower
