

Joan Doreen Trotman

January 28, 1934 - June 5, 2023

Joan D. Trotman (Nee Smith), our loving mother, grandmother, great-grandmother, sister, aunt, and friend left us on Monday, June 4th, 2023 as she continues her spiritual journey. Joan was born in Christ Church, Barbados, West India. Married Clyde A. Trotman and started a family, she then moved to Canada in 1958 and to Queens, New York in 1961. Upon retirement she lived in DeBary Florida for over 30 years where she became part of the Summer Haven Community and made many dear friends. She was loved by many and gave love to all. She is dearly missed but have our blessings as she is at peace as she walks in the land of our Lord.
