“ *Not too many friends and family will know who I am but I was Joann's first love 😍 Well, at least she was my first love at 5 or 6 years old. We were childhood neighbors on Summerlin Ave in Sanford. We used to play "house" together and we always would have so much fun playing "trucks" in the FL sand/dirt. We had fun with whatever we did. After many years passing I did have a chance to see her a couple of times during my Army years. I just found out yesterday that she passed and a deep sadness fell over me and has been there since. I know that she would not have wanted us to be sad, but it's just a human feeling. Will miss you Joanne and will see you soon babe. I love you always. Ronnie Merrell (William)*

“ *Jo Jo we all will miss you dearly but your spirit will live within us forever. There is a lot that I will miss about you like our girls nite out, your great cooking, your honest opinion, and our laughter together. But most of all I will miss your sweet smile and our porch chats. You were like family to me and I will miss spending holidays with you. Dance for us Jo. Keep smiling and I know you will be my guardian angel shining down on me. Your sweet southern spirit will live within me forever. You know how much I love you and I always will. We will dance again one day.... Happy Trails until we meet again. Love u always, Fran*
