

## Joanne Rose Pelletier

June 27, 1938 - February 11, 2024

Joanne Rose (Grensavitch) Pelletier, 85, of St Petersburg, FL. formerly of Shrewsbury MA. died, unexpectedly on Sunday, February 11th while at home. Her passing has left us broken hearted. She is survived by her husband Ronald W. Pelletier of 66 years.

Joanne was born in Worcester MA, the daughter of the late Adolph Grensavitch and the late Rose Ange (Beauregard) Grensavitch.

Joanne, also affectionately known as “Honey”, exuded a beautiful smile and had stunning blue eyes. She loved a good laugh and often referred to herself as “Lucy”. She was fun and goofy, the life of a party. She was lovingly known as “Diva” here in Florida because she always dressed so classy.

Joanne was a Navy wife and stay at home mom who moved around the country quite frequently with her family. Hawaii was by far her favorite place! She maintained many special long-term relationships of those she met along the way. Once you were her friend you became part of her family. She was a very generous, kind soul. Joanne loved to bargain shop. Some of her favorites were Spags, Building 19, Salvation Army and Amazon. She would shower her friends and family with gifts “just because”. that made her happy. She would decorate her entire home for every holiday and made them special for her family.

She loved dancing, attending concerts with her daughter, casinos, talking on the phone. She also camped at the previous Jellystone Campground in Sturbridge.

Joanne also collected Angels, and elephants, loved her Saints, prayed the rosary every day.

Joanne enjoyed People magazine and watching Yellowstone and Americas Got Talent.

She made the best homemade chicken soup and loved a good homemade spaghetti sauce. Family gatherings were very important to her. She had 4 brothers and loved them all dearly. Her one wish was that family and friends knew how much she loved them!

Joanne is survived by her husband Ronald W Pelletier of 66 years, her beloved companion, Beau Beau. Her daughter, Linda Bousquet and Son-In-Law Raymond Bousquet of St. Petersburg, FL. Her son Kevin Pelletier and his wife Monica Goodrich-Pelletier of Holland, MA. Her brother Randolph Grensavitch and his wife Sharon of NC, her brother Donald Grensavitch and his wife Cyndi of WV, sister-in-law Dolly Lowe and her husband Roger of Hudson, MA, brother-in-law Gerry Pelletier of Worcester, MA and brother-in-law Walter Zawalich of Webster, MA. Also, Grandchildren Ryan, Haley, Erica, Lauren and Alycia. Her Great Grandchildren Jacob, Isabel, Jaidyn, Bryson and Ryder and many nieces and nephews.

Joanne was predeceased by her brother William Grensavitch, Robert Grensavitch, her in laws Lauria & Wilbrod Pelletier, brother-in-law Andre "Pete" Pelletier, sister-in-law Elaine Pelletier Zawalich, her Godson Kenneth Lowe and her niece, Terry Grensavitch.

“ My dear Mr. "P", Lin and Ray

*my deepest sympathy for all of you from the bottom of my heart. Mrs. "P" came into my life when i was 16 years old. Meeting Lin in high school was such a blessing for me, because i found another Pelletier family  
Mr. and Mrs. "P" whom i fell in love with, will forever be in my heart. Because if Lin, I inherited a second MOM. The fun i had with Mrs. "P" will never be forgotten. The love, understanding, compassion she had for others, set an example for me of how to treat others. MY mom loved how i had fun with her, she knew the minute that Lin and I were together that this would be a Life long relationship. The love "P". showed me was my guiding light. Her laugh will be with me forever. I will miss talking to her on the phone. I loved how Mr. P and Mrs. P helped me plan my surprise visit to my big sister. I will miss playing with her, and hearing her voice. My most favorite phrase I will miss is when she called me, "her brat". Mrs. "P" has always been my angel and she will be my angel in heaven. I believe that in heaven, she will help all of us in our grief and sadness. I love and will prey all of you, Nancy. "her Brat" forever. xoxoxo*

“ Growing up I always loved to visit my Aunt Honey. The first time that I can remember, I was probably only 6 years old. We took the long trip from North Carolina to Massachusetts by car. When we got there, I remember seeing that big white house on Grafton Street. I couldn't wait to see my aunt and uncle I was told so much about. I remember her beautiful red hair and her blue eyes. She gave me a big giant hug and allowed my to look at all her beautiful jewelry. I remember that big giant jewelry box in which she let me explore all her gems and treasures. She never said anything when I didn't put them back exactly in the same spot. I just remember her big smile looking back at me.

My Aunt Honey never forgot a birthday or a special event. She always sent me a birthday card with something special written in it. She even made it to see me off to get married many years later.

Despite not seen her for many years, she asked about how I was doing when she would call my parents. I would smile when I was told about all her adventures in Florida and even was able to see pictures of her on Facebook posted by my cousin Linda.

I will always treasure these memories. My Aunt Honey will surely be missed by those who loved her.

Love and hugs to my uncle and my cousins Linda and Kevin

“ *Joanne was a wonderful person and always had loving things to say about me. She seemed to love all her family unconditionally...you didn't have to be perfect for her to love you...or say something...or do something ...nice to you...or about you. She will be truly missed....love and hugs to all her loved ones.*
