“ *I will always love you little brother*

forever - June 18, 2015 at 11:55 PM

Hi Asia, my name is Thomas Morin. I'm sure you don't remember me, but we were kids together in Florida. I'm so sorry to hear about your loss. I can't say I remember your brother too well but I do remember you being very protective of him, and always wanted him to come along whenever we would play. I hope that you're finding some sort of peace after such a tragic loss. My condolences to you and your family.

“ *We just heard about Joel - he was always a special "member of our family". Our hearts go out to the family and we look forward to seeing him in the resurrection. Until then he will be missed ~ The LeBrun family (Ralph, Virginia, Ruth, & Ben) - Thanks for sitting with us at the Annual meeting last year I will always treasure our conversation with Joel about his Reference Bible and the fact that he would have to start all over with a new one. Loved that boy so much.*

“ My husband and I were so blessed to have met and befriended Joel. Only after 10 minutes, you can tell how special his presence was. You can feel how genuine and loving he was by just a hug. He used to stop and make comments on how beautiful the sky or the flowers were. Always made us feel happy to talk to him. This world was so refreshing with him. I may never be able to truly understand how John and Linda are feeling... but I do know how much more so paradise on earth is anticipated. You will always and forever be in our prayers. Utmost sympathies, love, and respect to you. Wish we stayed in Florida long enough to have met and shared a warm hug. Til death is brought to nothing, we will see you again, with tears of joy. We love you, I love you my dear brother and sister.

Much much love, Jonathan and Rebekah Capps (Bui)

“ John and Linda you are in my thoughts and prayers, its with a heavy heart that I am writing this, Joel was always so welcoming, such a sweetheart. I use to attend the Northeast Cong. and recall one day in service with Joel, always so loving. I take comfort in knowing we'll see him soon again in Paradise ! May Jehovah continue to provide you both with the strength needed to endure such trying time.
