Her sole mission in life was to show people the way to Jesus and she did just that.

She touch so many hearts. She had the special way with her soft gentle voice and that special "Giving Quality" like no one else I knew. Joellyn helped so many people out in so many different ways. It was so incredible how strong her faith was and still is. She was loved by all. She especially had a deep love and gratitude to her husband, Wayne and close friend, and soulmate Michael Cappuccilli. She loved her best friends, Don and Maryann Swartz and their daughter, Tammy Geschke who shared very special moments together.. They were all with her throughout her battle and were with her until the end. She's now with her Heavenly Family. Rest in the Lord Sweet Angel of God.
