“ I lived with John for over a year in the early 70's on Thompson Rd. with Larry Portinga. We worked together for quite a while and even moved to Raleigh NC. to work for about 3 months staying with Bob and Terri Collins until we found a house to rent. We shared a lot of laughs and good times. I will always remember him fondly, kind of like a little brother to me.

“ John and I were close friends in the mid 70's. We worked together building greenhouses. He had a great smile and loved working on his Ford Truck
