“ *Thomas Altino Bruno - Brother posted a condolence The Silver wings that were placed upon your chest made you one of America's best! We didn't get to spend much time together growing up but seeing you two or three times a week for the past several years has made me appreciate you more as my older brother, and every time we were together you made me smile and laugh, I will miss that. Be at peace Johnny, I love you*

“ *Jo - sister posted a condolence My brother Johnny...always marched to his own drummer....quick to smile and dance a few steps saying hello. A cigarette, cold drink and a dollar or two and he was happy. He truly would give you his last nickel, a handshake and a pat on the back. I will miss him dearly...*
