“ *Cathy Cardamone - Niece posted a condolence I miss you Uncle Johnny. You have always been a big part of my life. I remember spending time with you on the weekends when at Nanny's. The thing I remember the most is your music. Then as an adult you would come down and see the shows at Jannus and we'd hang out. Rest in peace Uncle Johnny. The music lives on in our hearts. Your Loving Niece, Cathy*

“ Frank Carr - Friend posted a condolence To Mrs. Cahill: I was so shocked when my Brother-in-law Buck Marcum broke the news to me that Johnny had passed away. I don't know if you remember me but Johnny and I grew up through elementary, Jr. High, and High School. We also played little league baseball together. John was on Seminole Nurseries and I was on the Seminole Civics team. Those were some great times. Although I didn't see John very much over the years, Buck always kept me informed on what John was doing. I want you to know how deeply sorry I am to hear of his passing and how difficult this must be for you and your family. I talk to and see Buck all the time so maybe when things settle down a bit, I could visit with you. Much love and prayers to you.
