We had such fun and I will hold close all the memories of him and how he so easily made me laugh and made me feel special....I will miss you. Cousin Chris

“ *Joyce, John, Jr and Jordan it is with sad hearts you must say goodbye to your earthly father. Knowing in your hearts he is now walking on streets of Gold with our Heavenly father no more pain and suffering.*

Your dad always had a smile on his face and never seem to know a stranger. Loved by so many but will never be forgotten.

First time we met John was at Riverside Elementary when our Son, Russ and Joyce would be in the same kindergarden class and went on to be in almost every class together until Joyce left their high school and went to Lake Highand Prep. So many memories flood my mind of your dad attending all events of each of his children. Watching him coach and ref were a joy. John was always fair and understanding.

Most memorable moment would have been Joyce's Freshman H.S. year when she and our son on the night before the homecoming dance decided to go to the dance the next day together. So much fun and work went into that 24hr period but your dad was so happy to see the two of you going together and it was so worth it.

Your family has had a special place in our family hearts for so many years.

Much Love to you all and God Bless!

“ John lived and loved to make people laugh. I will never forget when he came to Joey and Tyson's fourth birthday party as Bozo the clown. He was the hit of the party, he juggled balls, walked on his hands and ate his paper plate. The kids had the best time ever!!! John will live on in our hearts as we have been so very blessed to have had him in our lives for so many years. We give our love to each of you who love him so.

Johnny, You had all the qualities that made you such a good person. Your family was always your highest priority. You were there steadfast when your brother Bobby passed just last year. everyone you have touched will feel some loss. The world sucks a bit more without you in it. Miss you brother.
