“ I was at Grandma Sophie's house, and we were about to have spaghetti for dinner. Uncle John went out to the garden and started grabbing vegetables from Grandad's garden. Lettuce, tomatoes, onions, cucumbers, green peppers, and banana peppers. John tossed it all in a little oil and vinegar. It remains the best salad I've ever had.

Yeah, he made a great salad with just simple ingredients. I miss his roasted peppers with garlic and olive oil on toasted Italian bread. Sprinkle with kosher salt and was the best. ❤️
