

## John N. Fersa

December 3, 1960 - November 11, 2021

John Fersa, beloved husband, father, grandfather, brother, uncle and friend, fell asleep and went to the Lord suddenly and peacefully on Thursday, November 11, 2021 at AdventHealth Hospital at the age of 60.

On December 3rd, 1960, John was born in Beirut Lebanon to the late

Nicholas and Nadima Fersa. The whole family immigrated to the United States in 1972 and resided in West Paterson, NJ.

After graduating school, John went on to open his first business at the age of 19. He loved working with his hands and fixing cars at his gas station, and happily served the community for over 20 years. He enjoyed many years in NJ with friends and family before eventually moving to Florida in 2007. His greatest pleasure in life was fishing and boating with the ones he loved especially his sons, and he was always happiest when all around him were having a good time. He became a grandfather in 2020, and seeing his grandson for the first time filled him with incredible amount of joy. He was fortunate to also see the birth of his granddaughter in the summer of 2021. He was a man that loved his family unconditionally, and seeing his family grow was the best gift he could have ever asked for.

John is survived by many people who love him and will cherish his memory.

“ May God be with you all during this difficult time. John was a wonderful person who everyone loved. He was so proud of his sons and wanted nothing more for them but to be happy and successful. He was blessed to have a wonderful wife who adored him. He had a great relationship with brother and sisters and would do anything for them. May you all remember the good times you shared and keep his memory eternal. May God watch over your family during this difficult time 🙏
