“ There are so many hearts broken for the loss of our beloved Johnny. He had more love bestowed upon him than any person I have ever known. John loved his family unconditionally. To his brother Jeff and his family and sister Joann and her family, Megan and Brianna your mom Janice and so many family and friends are there with John. I send my heartfelt sympathy. Joann, thank you for watching over and lovingly caring for John. He was so happy with you , especially when you caved and allowed him the extra diet coke. Your love and caring for John was beyond anything I have ever seen. He will always be a part of you, now and forever. We will all miss John from this day forward.
Rest in peace sweet Johnny.
Your loving Aunt Charlotte

Johnny Goulet, where do we begin? John's love for everyone, his humor and yes his work ethic at Kash n Karry for many years, his dish washing Job at the Elks where Bill once saw it was extremely busy for him and offered to help him. Johnny proceeded to remove his apron and leave the kitchen to tell his Dad, Bob that Bill was trying to take his to take his job! Bob had to explain that Bill was only trying to help him. Lol lol I think anyone who knew Johnny and his love for music and dance will remember Johnny Goulet performing Johnny Be Good any where he heard it playing. Will miss you, thanks for the memories Johnny, RIP

Love ya, Bill and Cindy LeVan
