“ Mike - I will miss you - you were a wonderful cousin and I have so many good memories of times in Kansas and Orlando. I'll think of you whenever I pass a Starbucks, read a good book or sit and look at the spanish moss in the back yard - you were an inspiration to so many people. “ *My sincere and heartfelt condolences to Mikes family and everyone whose life was made a little better because Mike was part of it. I know that mine was.*

The Serenity Prayer

*God grant me the serenity
to accept the things I cannot change;
courage to change the things I can;
and wisdom to know the difference.*

*Living one day at a time;
Enjoying one moment at a time;
Accepting hardships as the pathway to peace;*

*Taking, as He did, this sinful world
as it is, not as I would have it;*

*Trusting that He will make all things right
if I surrender to His Will;*

*That I may be reasonably happy in this life
and supremely happy with Him
Forever in the next.*

Amen.##imported-begin##Robert Wheeler##imported-end##

“ My condolences to the family. John and I were in the same home room in high school, and attended some classes together in college. We were both smokers, and frequently visited on breaks from class in the smoking area. Last time I saw John was about thirty years ago. He was talking about getting a postal service job in a small town possibly leading to postmaster in a small town. That sounded pretty good to me too. I hope he was successful in that.I always thought John was a nice guy.##imported-begin##Bill Steffen##imported-end##

“ My condolences to your family on John's death. We both went to Rockhurst High School, class of '65. He was a good guy. We had a couple of classes together and I gave him a ride home once or twice. He seemed to know a secret joke and would have a smirk on his face. John Rest In Peace.##imported-begin##Dan Thompson##imported-end##
