

## John Thomas Minogue

May 19, 1964 - May 30, 2020

John Minogue was born to James and Rita Minogue in Flushing, NY. John was the third son to his hard-working father and Irish immigrant mother. He was raised in Pittsburgh with his older brother James and younger sister Eileen.

John went to Gateway High School and graduated in 1982. Next, he enlisted in the Navy at the strong suggestion of his father in 1984.

John had many careers, including:

United States Navy – Communications

Running a guest house in St Thomas Virgin Islands

United States Postal Service

Merchant Marines-Communications

City of Las Vegas Parking Enforcement Officer

Due to his military and government service, he could retire at the senior enlisted level of Chief Petty Officer.

He was able to travel around the world numerous times and always had stories of his experiences. John had a unique understanding of world cultures and politics. He was a fantastic storyteller, quick-minded, and had a smile on his face.

While stationed in the Middle East, John met his wife Susan; they married in

1990. They had two daughters, Susanna and Jesse Anne. During John and Susan's 30 year marriage, they lived in the Philippines, Florida, California, and Nevada. They have lived in Las Vegas for 16 years.

During his retirement, he spent the majority of his time with his family. He was always helping with the daily carpool, attending various school and sports functions.

He was a constant support for his family. He loved sharing his life lessons with his children and grandchild, telling stories about his childhood and work life.

John's attributes included loyalty, understanding, and being very clever. He always stayed a die-hard Steeler's fan; there was no off-season for him.

He leaves behind his loving wife Susan, daughters Susanna and Jesse Anne, and grandson Mason. He also leaves behind his loving mother, Rita Minogue, brother James and sister Eileen Logan (Lauren and Liam). His is preceded in death by his father James Minogue.

You can write so many things about John, but one thing is you could always count on a good story to be told by him.

The family of John Thomas Minogue invites you to leave a message of condolence on the Tribute Wall created in his memory.

A Memorial Mass will be held for John at Annunciation Catholic Church, 1020 Montgomery Road, Altamonte Springs, Florida 32714 on June 9, 2020 at 1:00PM.

“ *I have some of the best memories of us as kids. Growing up was so much fun back then and you hold such a special piece of that. I always loved it when I got to see you and we always picked back up and start giving each other a hard time and laughing and remembering when life was simple. Back in days of summer beach trips, hunch punch, and carefree living. Listening to Lynard Skynard, The Who, and Zeppelin. Hanging out at the bonfires, starrng into the sky wondering where life would take us and with who? You always held a special place in my heart and always will. I will miss our meetings and the way you made me laugh like no other. I will watch out for your sister for you and continue to pray for your family and girls. God speed my friend until we meet again.*

*I was deeply saddened when I found out that my childhood friend, John Minogue passed away. John's dog was the mother of my dog CR. We spent countless hours and days living life, wandering aimlessly and doing the things so many misguided youths like ourselves did in Monroeville in the 70's and 80's. Many things I can't share here...John was special, he was my wingman. If my life was a book he'd have a chapter or two dedicated to him. Keg parties in the woods, nights on the train trestle, skipping school at Monzos, excursions into Pittsburgh and more wholesome things like kickball, football and wiffle ball on Holy Cross Dr. Hold on to the memories because you never know when that's all you'll have left. My deepest sympathies to his family and friends. Until we meet again my dear friend. God Bless.*
