“ Mike I will never forget all the years we had together being your sister in law but always more like a sister to the both of us, we have both went thru the good and the greats and the worse of our lives and we always said if we knew we were going to live this long we would have taken better care of ourselves but only God has the final decisions and as I sit here looking at your brother my husband still missing and loving you and the loss in him of losing you it pains me greatly and how wish you were here for him and each other for a lot of the times you had together it was just you and him, the times of being separated in your lives as young kids not knowing where you were going to end up and with who it seems that you always came back together and how he needs you now it hurts like no other 😭 one day we will all be together and until that day comes you will be missed and loved by us more than you will ever know cuz you were always " little brother " and will always be, it just doesn't seem like it's been 3 years but I'm sorry time does not heal and I wish I could say that to your kids that hurt so bad as we all have suffering for our little brother, we love you so very much and I will be missed for eternity til we meet again, love always and forever Karen and Joe" Big Brother"

“ Dear ones our hearts grieve with you at the passing of your beloved John, husband, father, grandfather, great grandfather, family and friend to many. Though we grieve we, we dot grieve as others do, but thank God for the hope we have in Christ that we will meet again and he will wipe away all tears, and death and sickness will be gone. What a wonderful day that will be!  
Until then he has given us hope in him and I am praying his peace and comfort will surround you. I am asking him to help you recall many wonderful memories of your lives together.  
John is home with his Savior and we will one day be reunited. Until then we will remember him fondly and keep you all in our prayers.  
With love, Richard and Donna Walker

“ I was very sad to hear the news of his passing. I knew John for many years. I was his friend and Boss. One of the best Roll-Off drivers I have ever worked with. May he rest in peace.

“ It saddens me greatly to have my kids lose their dad and for my friend Terri to lose her husband. Although through the years life had led us down different paths and in the early days rocky roads I am saddened by Mike's passing. He was a good grandfather to the grandkids and he was loved dearly by his kids, and I know he knew that and I hope they all find great comfort in that. He loved them all very much! He is not suffering anymore, he is at peace, his life here on earth touched many and he will be missed by many as well.  
R.I.P. Mike, till we all meet again!! Ellen

“Dear Putnik Family: Please accept my deepest condolences for your great loss of your dearly beloved (John) during this most difficult time. May your family find comfort in the wonderful promises given to us by our very loving Creator Jehovah God. John 5:28,29 & Revelation 21:4,5 he promises to bring John back to life in the resurrection right here on earth just as he did with the nine resurrections mentioned in the Bible. He promises to do away with all sickness,suffering,sadness and death forever in the very near future.
