“Red” hired me in 1985 to sell vehicles at a Chevrolet dealer in Lebanon NH and I'm still in the auto industry. Red was such a great mentor to me and was like a father figure at work. If you worked hard, Red would acknowledge this amongst your peers. I learned a lot from this great guy and I am very fortunate to have met and worked for him in the 1980's.

Sincerely,  
Kevin Smith

“*Rick Rewerts - Nephew posted a condolence My heart aches with the news of John's passing. I can't help think of visiting with him at Christmas time a few years ago in Decatur and talking with him about our family history. I'll never forget the twinkle in his eye as he told me about the Rewerts heritage. Kelly and I will always remember that visit and uncle John.*
