“ I am sorry that I wasn't around all these years for you - but I have never ever forgotten you. I will forever cherish all the times we shared together - our summer movie dates, picking me up for school every morning, our "Goonies" references and hours and hours of phone calls. It breaks my heart that I will never be able to see or talk to you again and I will forever regret never getting the chance to come down and visit you and meet your beautiful family like we planned. RIP my dear friend. I hope that one day you and I will meet again so I can tell you how very special you are to me and how grateful I am to have had you in my life, even if it was only for a short period of time. Love you always. BITZ <3
