“ John Sibons was best definition of a "Friend' Friend". Generous to a fault, great sense of humor, compassionate listener, happy with life. John and I also celebrated a special connection in that we were both born on the same day in October.
John and Pat always had their home open to all, sharing some of the best times a person could have with others.
Some of the best "Sunsets" ever witnessed was when my wife Linda and I joined Pat and John on his boat floating along on Lake Fairview to witness those "That's a Keeper Sunsets"
He will be sorely missed.

John was an acquaintance that I met on my daily walk who quickly became a friend. HE was quick to notice that I walked with a 90 plus year old and was quick to join us in our walk. He visited her at her home when she could no longer walk . HIs warm smile and happy disposition was a delight for both my friend and for me. As Pat told me on the phone, he really was a "good guy" -- a "good guy" that lived the Christian values and was treasured by many. You will be missed. Paulette Stone

Patty, Thank you for bringing John into our lives! He took such good care of his own, especially you, and mom, and me too! He was an excellent, fun, host, and his house was always open to us. He loved us and and his many friends, and we loved him. I love him. What a smile that lit up his eyes - with his arms around all of us. He is missed, but will never be forgotten.
