“ *PAULA AND JONNY JONES - FRIEND posted a condolence Just to let you know that we will miss John very much on our trips to Florida. My brother has a hotel in Clearwater beach, that is how we met John. Very colorful man he was. Said what he thought and meant every word of it. I will miss rides in his cars, he would come to the beach and pick us up. So sorry to hear of his passing. Take it one day at a time, just remember that he will never go away, keep him in your heart. We will. The Jones' Modena, Pa.*

“ Sandy Kostick - Mauffers Guest posted a condolence I just go news regarding Johns death. From a friend of mine in Conn. Who I brought to see the famous place when I lived in Indian Rocks. As John came out to meet her with a warm welcome of " your friend is fat and has big tits".....well as you can imagine, she fell in love with the place and his fun style of humor and continue to stop by every time she was in town bringing in her new guests to show off the place. I just want to express my good times and great memories at Johns Famous Place. What a wonderful man and a heck of a personality. I am sure you all don't remember me.....but I remember you all and especially Jutta and John. He touch many lives. His love for cats, toilet seats, police, his German Shepard, the wonderful condom tree, the fat girl collages, the horoscopes, car grills, wonderful music, great jute box, the beer can crusher, funny t-shirts, and of course the fancy food menu.....miss it much.....next time I am in town I will stop by and pay my respects.....all are in my thoughts..... Good Bless.....by the way we could use a fun place like Mauuffers here on Sanibel..... To live as he did, is truly a legacy.....What a wonderful life.....Just receiving the email, reminds me to live life. -- Sandy Kostick Director of Development C.A.S.T. For Kids P.O.
