“ *Alex Trump - Friend posted a condolence Johnny Mann, I've considered you family my whole life. Now every 4th of July, those fireworks will be for you, those hot dogs, those pickles, those cold glass bottles of Coke, all for you. I'm never going to forget the time when you forced me onto "Thunder Mountain" at Disney and made me almost crap myself. I'm sure everyone reading this knows you were one for practical jokes. Anyway Johnny Mann, I know you're kicking it back on a lawn chair, drinking an ice-cold Coke, in the "Mountains of Smoke" with a platter of cheese. Help us all stay strong. We love you Johnny C.*
