“ I met Mr Hernandez a few times. He is the father of my sister/best friend. A sweet, caring , protective and loving man. He has a beautiful family,he gave me a sister I never had , a grand daughter that's a daughter to me. Gifts I would not of been bless with without him. They are a beautiful reflection of Jorge . God bless him and his family , know and take comfort , in his peace.

“ Dear Barbie and family,

When I heard about Jorge's passing, I felt nothing but sadness for you and your family. But, a sense of joy knowing that this man raised such a wonderful daughter. I can only assume that he had a hand in modeling that shaped the special person you are today. I'm hoping that the good memories will be a comfort to you and your family while you grieve this loss. My thoughts and prayers are with you and your family.

“ *My father was a kind-hearted man who loved and appreciated life. He loved all of his children and grandchildren unconditionally, despite physical distance. We cherish the times we spent with him, and words can not describe how much he will be missed. May his soul rest in peace, as his memory will last in our hearts forever.*
