Our Family Chain

We little knew that morning
God was going to call you name.
In life we loved you dearly,,
in death we do the same
It broke our heart to lose you

You did not go alone
For part of us went you
The day God called you home
You left us beautiful memories
Your love is still our guide
And though we cannot see you
You are always by our side
Our family chain is broken
And nothing seems the same
But as God calls us one by one
The chain will link again

I have many good memories as a kid of our two families getting together and having good times. Memories are one thing no one can take from us. I hope your memories will help to get you through this difficult time. I know Tio is now watching over all of you as your own personal angel.
