“ *An amazing human being is no longer with us. My heart, thoughts and prayers go out to the family and friends of Jose Orlando Vega, a remarkable friend, father, husband and colleague.*

So many fond memories of Orlando. He was truly one of the funnest people to be around. He was able to effortlessly make everyone else smile and have a good time. He always put a smile on my face and will continue to do so whenever I think about him.

There is no hurting, no suffering, and no pain in Heaven. While I grieve his physical loss, I'm comforted by the fact that he is in a far better place now.

Rest in peace, dear friend.

“ I have fond memories of Orlando when I worked with him at Banco Popular. He always seemed to be in pleasant mood and his endearing smile was infectious. One could not help but feel a little better and more optimistic after interacting with him. Because of this I often looked forward to meeting with him. In that respect I learned much from Orlando. He will be sorely missed!

I offer my deepest condolences.

You were always willing to help, in anyway, to make sure your friends and colleagues were taken care of and successful with any endeavour they were working on. “ *My neighbor, my friend....from the very first moment our families met, Orlando, Yvette, Karem and Grace became family. Orlando made us feel like we had known him all of our life. He would do anything to help in any way that he could. My heart is broken that he is gone too soon. God does things that we do not understand but we have to trust in Him because He knows what is best. My thoughts and prayers are with all of his family and close friends. He will be missed by so many. May his memories stay strong in all of us until we meet Him again. May God bless and comfort you all. Much love and prayer, Theresa Roberts May*

“ Orlando was a special person in so many different ways to so many people. He's touched our hearts and soul with his Great big smile and humorous laugh which could never be mistaken. He truly treated me as a son of his and I know i could always call him at anytime just to talk. He was a friend, a mentor and a man of the lord. His patients was a gift from God And his love was unconditional. I will most remember the barbecues on the back pouch and cigars and times we shared around the holiday together. He was the most unselfish man I have ever met! You will always have a special place in my heart as you have always been a father figure in my life. Thank you Orlando for being the man you we're You will never be forgotten!

“ The loss of a beloved husband and father is devastating. The loss of an especially good husband and father changes you forever. We miss their earthly presence. We mourn for ourselves and the fact that he will no longer will be with us in flesh. I believe in the eternal soul, and I believe our loved ones that we have lost are here and aware of all we do. He knows we love him and miss him dearly. Take comfort in knowing he feels you. And he is telling you all to "Smile". Orlando, the memory of you is making me smile. Your wife and daughters will continue to make you proud. You will live in our hearts forever.

“ I don't have any specific memories of Orlando, but wherever he was, there was this quiet patience. A peacefulness. I loved his hugs and the kiss on the cheek as he said "hola". His hug is the only one I remember from my brother's service. It was a refuge.

I loved his rice and beans and he never seemed upset that I ate all his Klondike bars.

“ Orlando was a rare individual -successful at his chosen profession, yet well liked and respected by his employees and his peers. He was warm, friendly and gracious to everyone. My favorite memory of him will always be how he greeted me in person or via email. "Hello,my friend!"

The world is a bit more empty without "my friend"

*May his soul and all the souls of the faithfully departed rest in peace.

“ I have lost my best friend, husband and father of my children. I am overwhelmed with a humble heart by the show of unconditional love and compassion demonstrated by his family, friends, co-workers, TD Bank, Apopka Church of the Nazarene, Iglesia de Dios Pentecostal. God in His wisdom has provided wise council. What I want everyone to know is that we shared an awesome life and I have a treasure chest of memories. I can't wait to hear how my husband has touched so many lives.

“ If there be any truer measure of a man than by what he does, it must be by what he gives.
Jose Orlando (Orlandito) always gave the best of him. His smile was contagious and his glass was always half-way full. It certainly was an honor to have spend just a little time with you (in this life). I will pray for you and your entire Vega family. Yvette please let us know how we can be of service.

“ Orlandito will always be remembered by many for his big great heart and unconditionally love and care for others. In my case I will never forget any of the moments we shared in my short 41 yrs of life by his side. Ever since I can remebebe he has been part of life events, when I was born he took care of me at his house (aunt Marci n uncle Melo) like I was his little sister. Then when he married his firt wife Titi Cuca took me in to their new house and with me raised Marilyn his first daughter. While growing up he was the one that took me to the movies, baskins robins, chucke cheese, county fair and everywhere a little girl would like to go and have fun. When he met Yvette I was there with them too, he gave me my very first car and she thought me how to drive it. Then came along Karem (named after me and who is my God daughter too) and short after Grace. I guess I can say Ive been part of Orlandito's life too. I cannot imagine my life without him as he was not just my brother, cousin, compadre he was my hero and my advisor. I can only hope he continuea to guide me from heaven where I know bis soul is resting in peace and God's promise that we will meet again. Orlandito I will always love you and promise you to stay string just like you would like me to be. Yvette, Mara, Karem y Grace we are Family because of Orlandito and we will always be, Love ya'll and please know that I cannot be there atbthis time but you can always count on me. ❤️
