“ I’m so sad to hear this. Joe was such a great person. We had a lot of Boston vs. New York conversations. Always civil and laden with facts. I will miss him.

“ I have such terrific, warm memories of Joey Ahearn (and the whole Ahearn family as well). Joey had such a great mix of positive qualities. Quick with a smile, humble, friendly and a fierce sports competitor. My time spent with him on the Cleveland Pony League baseball team in Irvington will forever be special. I loved watching him operate like a craftsman on the pitching mound. Pin-point control (could nip the corners consistently). And what a curveball. Such a winner !!! Not too long ago, I was able to reconnect with him when Gloria McMinn and I drove to the home of his mom, Rita, to visit for Christmas. Very heartwarming. Was so happy to see the family man that he had become. Special mention also to Joey's dad and his Uncle John. They were all so fantastic. Feel so blessed to have shared part of my life with them. Can't say enough about the Ahearn family. Debbie, please accept my heartfelt condolences. Here are 2 pictures that I love of Joey. RIPa life well-lived !!! You are missed by so many. Never to be forgotten.

Respectfully.

“ I always looked forward to seeing Joe. He was quick to smile and laughter came easily. He took a genuine interest in others and people were drawn to him. His table in the club was the first stop for many upon their arrival, whether to share an experience or simply a greeting. He is sorely missed by all who knew him.

“ I first met Joe at the dog track 5 years ago and he was friendly and very personable. Over the years I really enjoyed talking to him about all kinds of sports, and believe me Joe knew a lot about sports. He will be sorely missed by me and a lot of patrons at the dog track. You couldn't help but enjoy being in Joe's company. My condolences go out to the family. Rest in Peace Joe.

“ Mr. Ahearn’s kindness and generosity were limitless. No matter the occasion or gathering, no matter if he had just met you or known you forever, he always made you feel welcome and your presence appreciated. Always greeting me with a smile, an exclaimed, “Wilbur!” and a hug. He would always ask how you or your family were doing and genuinely cared to hear your answer. I am better off for having known Mr. Ahearn and I will miss him dearly.

“ First off I wanna say Joe was the nicest most genuine person that I know! So easy to talk to so understanding and so helpful in many ways ! And one hell of a putter on the golf course which led to some memories of him and I beating Ryan and Kyle in several golf matches!!!!

“ I was shocked and deeply saddened to get this news. Joe was a dear friend, former business partner and an all-around good guy. He cared about others and would go out of his way to help a friend or family member. I will miss our good times together on the golf course and at Solar Bears games for an occasional "Boys Night Out" with two additional friends. Joe was always supportive and appreciative of our long friendship, as was I. He will be missed by all that knew him. My thoughts and prayers go out to Deb, Ryan, Kyle and their entire extended family. RIP, my good friend. Keep swinging !!! HUTCH

“ *I remember Joe helping his dad, his Uncle John and Mr. Celeste shape the ballplayer in the PAL league on the Cleveland team. Even then, many moons ago, his quiet strength, electric smile, and caring soul were easily recognized. And nothing changed as the years passed, always a gentle guiding force, letting YOU come to the right solution, with just a little "nudge". They say more is caught than taught, and watching Joe you saw what true live looks like with his Debbie, what unconditional love looks like first with his siblings, then his children.. And what unbridled love looks like with his grandbabies. My life is better for knowing him. I pray the good memories will bring you comfort and God's grace will bring you peace.
