“ Jennifer, Steve, Mason, Travis & Dylan: To say we are sorry about Joe's passing seems so hollow because that word does not come close to expressing the deep grief we feel. While his passing was certainly untimely, we hope you can take solace on knowing that his time with us was meaningful. He loved you all so much. Our hearts and prayers are with you. “ Please accept my deepest sympathy on the loss of Joe. I have known him for many years here at LRMC. He was a great, friendly guy. We used to go round and round about patient assignments, but he was so great to work with. THough I haven't seen him much in recent years with changes in his job and mine, when I saw him a few months back, same old smile and "hello" and what a great guy. Please know that he will be greatly missed by his friends and co-workers at LRMC, as I know you miss him as his family and friends. We don't know why he has passed so young, but we know that God is soverengn and in control God bless you all, Heidi##imported-begin##Heidi Monroe##imported-end##

“ Janet and I knew Joe for many years when we worked at LRMC and lived in Fla. We will miss him terribly. Joe was a wonderful friend and gentleman. I loved playing golf with Joe at the different golf courses in Lakeland - Joe loved playing golf, having a cigar, and talking about football. Especially his beloved Fla Seminoles. God Bless him.##imported-begin##David and Janet Kobis##imported-end##
