“ So very sorry to hear of "Uncle" Joe's passing. Growing up I remember him working side by side with my Dad and "teaching" him on little projects, especially customizing our 1077 Dodge Van. I always enjoyed our visits and very much appreciate the love and friendship he and "Aunt" Jean shared with my mom, especially when they all lived in North Carolina. His remodeling projects were a testament to his many gifts and hard working hands. He will be fondly remembered. Our love and prayers to the entire family.
