“ We have known Joe for the past 20 years and we're fortunate to benefit from his great talent as a Master Carpenter. He was one of those people who became like extended family...Joe was honest, hard working, and fair. We are sorry to know Joe is no longer with us and we send prayers and peace to his family who he loves dearly!! As Joe always said, "If something needs fixin', call Joe Hixson"! Our lives were definitely better because of Joe! ❤️ Anne and John Mischuck

“ Joe was a good neighbor and would provide suggestions and assistance when I would start a home project and get in over my head. Seeing him build cabinets or whatever became a routine event. Sadly, over the past few years we would see less of him outside. He will be missed in the neighborhood

“ Joe was a wonderful neighbor and an avid dog lover. I got to know him through my daily walks with my dog Drake. He would stop whatever he was doing and go get a tennis ball and start throwing and bouncing it for Drake and we would talk and chat. He was always so friendly and I really enjoyed my conversations with him. He will be missed.

“ *Joe was a great neighbor and had a great sense of humor. He was an animal lover and would always stop to give attention to our dogs, Belle and Luna. He was always helpful and had an infectious smile. He will be missed. RIP Joe.*
