“ I worked for Joe at Lone Star Press in Garland. The picture of him on the phone was taken in that print shop. I remember it well. I took my driver's test in his white and blue Cobra Mustang. He crossed my mind and I decided to look him up. I remember his brother, Bill also. He worked for Ben E. Keith. I know this is late but I am very sorry to hear of his passing. He was a fun person to be around.
