“ Back in 1967 I met Joe in Saginaw Michigan when he was a Area Manager for the Miracle Maid cookware division of the West Bend Co. He and his wife sponsored me and my wife into the company and taught me the sales business. In large part because of his leadership and enthusiasm I was able to become one of the top management people in the company and built a lifetime career in the selling profession. I will never forget his laugh and enthusiasm and how he would take the time to help me as I progressed in the business. Thank you Joe for everything you have done in getting a young person started on the road to success. I will never forget you.

“ I'll always remember Joe teasing me because I was Polish. He was a hard worker and always seemed to find a job he enjoyed. I remember going to the races in Standish be-cause he loved it so much. I'm sure I had some hearing loss because it was so noisy. He was a good father to Jeff and Jody. My sincere condolences go out to them and his sister Donna and brothers Bob and Mike and their families. May the Lord keep you and shed his light upon you. R.I.P.
