

## Joseph Denis Skinner

May 13, 1998 - April 30, 2016

Our beloved 17 year old son, Joseph (Joe) Denis Skinner entered into heaven on April 30, 2016 after an almost five month battle with Very High Risk Precursor B-cell Acute Lymphoblastic Leukemia (Hyperdiploid). Joe was born on May 13, 1998. Joe leaves behind his parents, Scott Russell Skinner and Judy Radecki Skinner, his sister Molly Ann Skinner, his Grandmother Lucille Delores Radecki and many aunts, uncles and cousins all across the country. Joe was a senior at Bishop Moore Catholic High School. Joe was an A student and a gifted athlete who signed his letter of intent to play baseball at the University of Central Florida less than a month before his diagnosis. Joe loved his family and was loyal to his friends and teammates. Joe was humble about the gifts God had given him and he had a smile that would light up any ball field. Joe loved sports and was a fan of the Indianapolis Colts, the Indiana Pacers and most of all the Chicago Cubs. We know he is in heaven running on the field as Ernie Banks yells "Let's play two".

“ I was very sad to hear the news of Joe. My daughters Shelby and Logan attended Father Lopez with him. They were on the swim team with him as well as had classes with him. Please know how sorry I am for your loss. You will be in my thoughts and prayers.

“ I am a Dad from Boston whose son played baseball against Joe a few times when he was 11/12 years old playing for the MBA Pride (at Disney/ESPN) for Coach Melendez. Both my son and I, after having seen many players in many tournaments, thought Joe was the best we'd ever seen in his age bracket. We knew he had committed early to UCF, and we expected to see him in the majors some day, at which time we could both say "we knew he would get there even when he was only 12 years old."

We are extremely saddened by the news of Joe, but it was great to see what a humble, resilient and courageous kid he was. His loss gives us a great sense of perspective around what really matters. We are sorry to have to be reminded of such at your expense.

Our thoughts are with the Skinner Family.

Best Wishes,

Larry Christofori

“ Judy, Scott and Molly we love you all and your son so much. He will always be a part of our lives and especially Justin's. Every time I think of all the fun times they shared and all the memories. They are priceless. Joe left such a huge impact on Justin's life. Just thinking of him brings smiles and laughs for all of us. Justin is forever changed for having your wonderful son in his life. Thank you for raising such an amazing young man. Judy, please know that you have gained many boys that will always think of you as Mom. They will look out for you and take care of you as Joe would want them to. We are here for you always. Love and ForeverSkinnerStrong. ❤️

“ Please accept my sincere condolences for your loss. Times like these make it so difficult to understand life and it's meaning- and sometimes we do not know where we can turn got real comfort. I have personally experienced this more times than any person should. I have found my greatest comfort in knowing that this is not the way it is supposed to be- and that God will soon wipe away our tears and eliminate death once and for all. . “ We are so sorry for the loss of your beautiful son, Joe. Joe played ball with our son, Alex Skinner some years ago on the Orlando Scorpions. Our prayers have been with him during this incredible journey he faced. Our heartfelt condolences go out to you and your entire family during this very difficult time. He truly had an amazing spirit. Its been a blessing to know him even more so after reading so many inspiring stories about him. I truly believe his baseball days are just beginning with a grin from ear to ear!  
May God continue to light your path in the days ahead. You have been an inspiration to many as you have shared your love of your son and his journey with others.  
God Bless..
