“ *Jennifer Johnston - Car Show Friend posted a condolence My memories of Joe are from the many car shows we attended together. Their corvette is a real head turner and the Red Lobster on the hood always made me smile. Joe always had a smile on his face and kind words to share, you would never know the struggle he was battling. Judy, I wish I could be there to give you a hug. Both you and Joe have been good friends. There will be a little piece missing in Lake Wales without Joe at the car shows.*
