“ *Michael - Nephew posted a condolence The heavens without stars-impossible. Uncle Joe without Aunt Alice, impossible. You both loved much and in return were loved by all who came to know you. You kept Aunt Alice waiting for 2 years, but you had some lives to comfort before you joined her for eternity. Thank you for unselfishly sharing your life with me from birth through adulthood. I will cherish always the rich memories you have given me. Michael*

“ *Nancy Lowry - Friend posted a condolence Joe was such a special man. His humor and wit were always present at gatherings and visits. He and Alice were my Burns & Allen. It is a great loss for our community and he will be terribly missed. Love ya Joe. Say hey to Alice for me.*
