“ *Christine Vasquez - Daughter posted a condolence My Dear Mother... Thank you for fighting so hard to be with us for so long. Now God has called you to be with Him and your dear husband and my father that you last saw 50 years ago. What a joyful reunion it must have been with him and the rest of our family who passed before you. I appreciate everything you taught me that helped me become the strong woman and mother I am today. I will miss our talks and your being there. I know you are in a better place where there is no more pain, only love. LOVE YOU FOREVER !!*
