“ Momma Jo was one of a kind. To those of us who had the privilege of knowing her she wore many hats, Mom, Nana, Friend , Momma Jo, baby whisperer, and disciplinarian. However no matter when you need to talk, she was always there for you when you need her, and always had the right hat on when speaking to you. She truly loved life, and knew how to celebrate it. She loved her family deeply. She also loved her extend family of children who she grew to adopt over the years. She enjoyed watching us all mature into the Adults she help mold us into. Her smile could light up any room. Her smile went along with a laugh that made you want to laugh right along side of her. Momma Jo you are going to be deeply & truly be missed. I won't say Goodbye as , Goodbyes are not forever, are not the end; it simple means I'll miss you until we meet again. Love Shay xoxo
