

## Josh E. Taylor

August 6, 1992 - February 21, 2021

With heavy hearts we are saddened to announce Josh Taylor, passed away on Sunday February 21, 2021. He contracted COVID-19 in January 2021, and passed from Covid Pneumonia. Born August 6, 1992, he was only twenty-eight years old.

At 14, Josh learned he had Wegener's, a rare disease with an unknown cause. Josh spent much of his childhood in the hospital. Still he persevered through the physical and emotional pain to live his dream.

Josh is survived by his mom and dad, brother Joshua Adam, twin sisters Emily and Katie, niece Amber, extended family and friends all over the world. He was preceded in death by his Grandad Bart, who loved him so much.

A celebration of Josh's life is planned for Summer, 2021 in Florida, God willing. Please contact the family for additional details.

Josh grew up in Colorado, but his love for Disney lead him to Orlando, Florida where he worked at Walt Disney World and loved all things Disney. While working at several of the parks, his passion was taking photos of families with the characters, watching fireworks, and sharing his happy spirit and joy with others. He loved to cook and hosted holidays at his home with friends.

Josh Ewan Taylor (aka JET) brought joy to everyone he met through his bright soul and spirit. His caring personality drew people to him, and he was active in showering his family, friends, and community with love.

His favorite quote was from his favorite movie, Meet the Robinsons, "We keep moving forward, opening up new doors, and doing new things, because we're curious... and curiosity leads us down new paths."

So we remember this: keep moving forward.

Josh was a light in the world, we will miss him so much.

"To the world you may be one person; but to one person you may be the world."

Thank you to everyone who knew him and made him smile. Thank you.

The family of Josh E. Taylor invites you to leave a message of condolence on the Tribute Wall created in his loving memory.

“ I have fond memories of babysitting him, Joshua and the twins. He was always there to remind me which twin was who. His memory will forever and always hold a special place in my heart. Miss you so much Josh.

“ Josh held a special place in our hearts. We met him years ago in Disney at a special event. He became a special friend to us. He was a fighter and never let anything get him down. I would always give him the side eye when he had enough of my advice and would say “yes mom!”. He thought my side eye glare was funny. Our daughter loved “Joshie” and always looked forward to spending time with him and having ice cream together. She also loved her stroller adventures with him. We will miss him terribly. Our thoughts and prayers are with his family and the many friends he has made. Josh was a great kid and was well loved. I know you are now at peace buddy, and looking down at all of those that loved you. Sleep in peace kid.

“ There hasn't a day gone by since I heard that news that I have not shed a few tears and looked at your smiling face on your facebook. I hope you know that you were truly special. You were one of a kind. Your heart was bigger than anyone that I ever met and you ARE the goodness and kindness in the world. We met you by chance, you were our waiter at a Chili's in Kissimmee Florida when we were there on vacation in 2016. You turned an awkward situation into a trip to Disney World on what just happened to be my 56th birthday. We stayed in touch and you became so important to us. You always had a kind word, you always had a smile, and you always took time for others before yourself. Life is not fair, this proves it, you should be with all of us, your family and friends, welcoming in another tourist season in a Disney Park but instead you were taken away from us way too soon. BUT you have left a mark on the heart and life of every single person you met. You have taught us to be kinder, to give to others, and to always keep a smile on our face. I'll never understand why you are not here anymore but I hope your family knows that they have so much to be proud of in you and will for forever. We love you RIP Josh. Alesha, Lindsay and Samantha.
