“ I had not known Josh for very long, but it doesn't take very long to come to love with such a sweet spirit as Josh and his brother Jeremy have. It's not secret that they get that from being raised by two sweet and loving spirits, Nigel my friend and co-worker and his amazing wife Dessy. We've shared lots of memories at the beach, their home and get together at the homes of other dear friends. Though my heart is heavy, I am held together by the grace and peace of God and in the comfort of knowing without doubt that I will see Josh again, only next time he will be playing soccer with Heaven's Angels. LOL!

Nigel, Dessy, Jeremy and Javian I love you and I thank God that our paths crossed. You are such a blessing to have in my life.

“ *There was a time where I had all the boys at my house in the highlands, Josh, Jeremy,CJ and Jake. All smiles from Josh, all playing ball in the front. I also had the pleasure of working with both Josh and Jeremy at the concession stand (CandyLand) Josh will be missed but never forgotten.*
