“ Today we gather with heavy hearts to say goodbye to an extraordinary man. My brother-in-law was a noble and kind soul, full of love and compassion. He loved my sister deeply and was always an example of respect, devotion, and generosity to everyone who had the privilege of knowing him. We were not prepared for this loss. His passing has left an immense emptiness and deep sorrow, especially in the heart of my sister, who is now overwhelmed with pain. There are no words that can truly ease this grief, but we can hold on to the love he left behind. We firmly believe that God, in His infinite mercy, has opened the gates of heaven for him, because his life on earth was a reflection of goodness and light. His memory will live on forever in our hearts, in every lesson he taught us, every act of love, and every shared moment. Rest in peace. You will always live in our hearts.

“ No words can describe how heartbroken I am over the loss of such a wonderful friend . Losing a great friend leaves an emptiness that words can't fill. I'll always cherish the moments and memories we shared and the laughter it brought into our lives. They will never be forgotten. Saying goodbye to a great friend is incredibly hard and I feel grateful to have known him.
Please know you're not alone, and I'm holding you in my thoughts.
RIP

“ I am devastated to hear the passing of Joey. He may be gone but never forgotten

I will always remember the fun times we all had at JD Penguins, Rickie Lees and Backstage. He was a great guy and will be greatly missed.
