“*Joyce lived out her faith in kindness and helping others. She was so kind to my late husband and I. She made a black veil for me and I never thanked her. I still can't believe she's gone. She was wonderful to my daughter. Like a second Mom. I will make sure Patrick knows how wonderful his other Grandma was and how much she loved him. Your husband and children remain in my prayers. Light perpetual sine upon you, Joyce.*”

“*I will always remember her as the most angelic, kind woman I have ever had the pleasure to know. The memories, words and love shared not only with her family but included me in will always be held close to my heart. I told her I loved her like my own mother, and the embrace we shared touched my heart so dearly. She is going to be a constant in my life, my heart and my raising my son. Forever with God, and forever with us. I miss you, and I love you*”

“ *I am so sorry to learn that Joyce passed away. I had the opportunity to get together with her when I was working in Florida a few years back. We had such a nice visit and I loved hearing about her family and how proud she was of you all. She also shared her unwavering faith in God. We are cousins in that we shared the same great great grandfather. I have known the Hendrixson family my whole life. I pray that her entire family finds comfort in the warm, loving memories of her life and and her enduring faith.*
