“ Joyce,  
You are thought of and missed quite often. We had so many fun adventures on and off horseback. I remember getting lost at Lake Louisa Park with the horses and when we went to Animal Kingdom and you road Expedition Everest and we left and you had me pull over in the McDonalds parking lot to puke 🤢🤢 We had so much fun together. Love and miss you dearly. Always in my heart and never forgotten.

“ *Dear Dan & Family,*  
*Joyce was loved by many. She always had a way of making us laugh when she wasn't even trying to. Our senior year of high school, we both worked at the grocery store as check out girls. One day, she was checking out a woman with an overactive little boy who started choking on his gum. Joyce calmly walked over to the little boy and started hitting the boy on the back a few times and up came the gum! She calmly finished her job of checking out his mother as if nothing happened. I have always remembered that and thought it was amazing.*  
*Joyce was truly an amazing woman and I will miss her so much. The world has lost a great lady and heaven has her now.*  
*Rest in peace my dear friend.*  
*Love ya forever and a day.*
